

JOW TACTICAL SOLUTIONS 3.1 INTRODUCTION TO RIFLE COURSE

DESCRIPTION:

JOW Tactical 3.1 INTRODUCTION to RIFLE will introduce NEW shooters to the safe operation, fundamentals, and shooting mechanics of an assault rifle while building the beginning block toward a complete shooter.

METHOD:

Instructors will utilize a systematic and progressive instructional approach that will be given at the range in a lecture, demonstration, and dry-fire to live-fire format.

OUTCOME:

Upon completion of JOW Tactical 3.1 INTRO to RIFLE, NEW shooters will have a solid grasp of assault rifle characteristics, ammunition, loading/un-loading, maintenance, zeroing, and malfunctions. Additionally, each shooter will gain gun handling confidence while establishing accountable accuracy at distances up to 100 yards.

RECOMMENDED PREREQUISITE:

Recommended for new shooters with limited or no shooting experience. Must be at least 18 years old and a US Citizen.

SHOOTER EXPECTATIONS:

Students will be expected to be receptive, positive, and have attention to detail.

DURATION:

1 Day

FIREARM (STUDENT PROVIDES):

Assault Rifle

AMMO (STUDENT PROVIDES):

Rifle: Min. 200 - 250 rounds

EQUIPMENT (STUDENT PROVIDES):

Assault Rifle w/ sling, 2-3 rifle magazines, rifle magazine pouch (optional), load carrying vest (optional), belt with holster, eyes, and hearing protection. Clothing suitable for any weather conditions.

JOW TACTICAL SOLUTIONS 3.2 BASIC RIFLE COURSE

DESCRIPTION:

JOW Tactical 3.2 BASIC RIFLE will instruct RESPONSIBLE shooters on the safe operation, fundamentals, and shooting mechanics of an assault rifle while building the initial block toward a complete shooter.

METHOD:

Instructors will utilize a systematic and progressive instructional approach that will be given at the range in a lecture, demonstration, and dry-fire to live-fire format.

OUTCOME:

Upon completion of JOW Tactical 3.2 BASIC RIFLE, RESPONSIBLE shooters will have a solid grasp of assault rifle characteristics, ammunition, loading/un-loading, tactical re-loads, maintenance, positional work, and malfunctions. Additionally, each shooter will gain gun handling confidence while establishing accountable accuracy at distances up to 100 yards.

RECOMMENDED PREREQUISITE:

Recommended for shooters with limited or need a refresher experience. Must be at least 18 years old and a US Citizen.

SHOOTER EXPECTATIONS:

Students will be expected to be receptive, positive, and have attention to detail.

DURATION:

1 Day

FIREARM (STUDENT PROVIDES):

Assault Rifle

AMMO (STUDENT PROVIDES):

Rifle: Min. 300 - 350 rounds

EQUIPMENT (STUDENT PROVIDES):

Assault Rifle w/ sling, 2-3 rifle magazines, rifle magazine pouch (optional), load carrying vest (optional), belt with holster, eyes, and hearing protection. Clothing suitable for any weather conditions.

JOW TACTICAL SOLUTIONS 3.3 INTERMEDIATE RIFLE COURSE

DESCRIPTION:

JOW Tactical 3.3 INTERMEDIATE RIFLE course will increase DEPENDABLE shooters on the safe operation, fundamentals, and shooting mechanics of an assault rifle while building another essential block toward a complete shooter.

METHOD:

Instructors will utilize a systematic and progressive instructional approach that will be given at the range in a lecture, demonstration, and dry-fire to live-fire format.

OUTCOME:

Upon completion of JOW Tactical 3.3 INTERMEDIATE RIFLE, DEPENDABLE shooters will be able to continue to master their positional work while increasing new skills such as turns, transitions (narrow/wide), movers, and becoming effective support side marksman. Additionally, each shooter will continue to gain gun handling confidence while establishing accountable accuracy at distances up to 200 yards.

RECOMMENDED PREREQUISITE:
